

*The Campaign for Colorado State University*  
**COLLEGE OF APPLIED HUMAN SCIENCES**

---

**The Center for Occupational Therapy  
Education**

**Gift Opportunity - \$250,000 - \$1,500,000**

**Set a standard and leave a legacy in  
OT education.**

With your gift to the Center for Occupational Therapy Education (COTE), you will join an unprecedented effort to help educators better prepare students for a career in occupational therapy. COTE is the first of its kind in the nation – striving to promote excellence in teaching, curriculum, research, faculty development, and consultation designed to graduate a critical mass of occupational therapists who have learned to see, notice, reason about, speak on behalf of, and meet occupational needs.

Your contributions to annually support or endow the Center will help fund a program director, an annual institute, and continued ground-breaking resources for OT educators around the country.

Known nationally and internationally for its excellence, the Department of Occupational Therapy is ranked among the top 10 programs in the nation by U.S. News and World Report and is recognized by CSU as a Program of Research and Scholarly Excellence. The Occupational Therapy Department has also been granted the Program of Excellence designation, the most prestigious academic honor awarded by the state of Colorado.
